SUMMARY

Highly motivated and detail-oriented software developer with a strong academic background in Electronics and Instrumentation, currently pursuing a Bachelor of Technology degree. Proficient in web development, with a passion for solving complex problems and building innovative solutions. With a proven track record of consistently achieving high academic scores and having solved over 200+ DSA questions in C++, I am confident in my ability to leverage my technical skills to drive success in a dynamic and fast-paced environment.

INTERNSHIP EXPERIENCE

Software Development Intern

CodSoft

📅 05/2024 - 06/2024 📍 Remote

- Built Number Guessing game, simple calculator and tic-tac-toe game using C++
